So, you want to beat the 2013-2014 San Antonio Spurs
No
Yes
No, they're rested
You're boned.
You're the Knicks and you're everything that's wrong with the NBA. You suck.
Is it a SEGABABA for the Spurs?
No
Who?
Are you the Warriors, playing at home?
Yes
What's your strategy against Danny Green?
Welcome to SEGABABA CITY. Population: The Spurs!
Nah
Not too often.
Strongly contest every three, give him no space at all.
Is Kawhi going coast-to-coast on you?
How often will you let Parker get to the rim?
Yup
Quick, what hand does Manu Ginobili shoot with?
Do you have a bunch of big, athletic shooters?
Sorry.
Nah, he doesn't look too into it.
Very
All of them
The left?
Uh, the right, like every other person on the planet.
Does Duncan find your big-man annoying?
Oh, hell yea
Wait, are you the Blazers?
You're gonna lose and you should probably fire your coach.
Naw, they're cool.
You will bring me so much happiness.
Is he on the court for the final 30 seconds?
No
Dammit. Dammit so much.
