

Villanova Basketball Chants 2013-2014 Season

National Anthem

Everyone starts singing the National Anthem around "That our flag was still there" quietly. It soon gets louder and ends with "And the home, of the, CATS!!!" (yell CATS) and that usually will start a Let's Go Nova chant.

In-Game Chants:

Bounce-Bounce-Pass

As a player has the ball, to distract them, you start literally saying what they do. Every dribble you yell "Bounce", until they "Pass" and finally end with "Shot" when they shoot.

Winning and You Know It

This song is when you're winning (obviously) and it is the same melody as "if you're happy and you know it clap your hands"

So the song goes: "If you're winning and you know it clap your hands, if you're winning and you know it clap your hands, if you're winning and you know it and you really wanna show it if you're winning and you know it clap your hands" then the opposite for if you're losing and you know it. However, instead of clapping your hands, you just point at the other team's bench. So if you're losing and you know it clap your hands (everyone is silent and points to them) if you're losing and you know it clap your hands.

Scoreboard Chant (Only if we're 100% going to win near end of game)

1 group of 5 people lead the chant and everyone else chimes in.

Small Group (points at scoreboard): IS THAT NOT THE SCOREBOARD

Large Group (points at scoreboard): YES THAT IS THE SCOREBOARD

Small Group(points at scoreboard, says our score): IS THAT NOT A SIXTY-TWO

Large Group (points at scoreboard): YES THAT IS A SIXTY-TWO

Small Group(points at scoreboard, says their score): IS THAT NOT A FIFTY-ONE

Large Group (points at scoreboard): YES THAT IS A FIFTY-ONE

Small Group(points at our bench): IS THAT NOT THE WINNING TEAM

Large Group (points at our bench): YES THAT IS THE WINNING TEAM

Small Group(points at their bench): IS THAT NOT THE LOSING TEAM

Large Group (points at their bench): YES THAT IS THE LOSING TEAM

Now everyone at once goes back and forth pointing at benches 4 times saying WINNING TEAM, LOSING TEAM x4
